The League of Women Voters is a non-partisan political organization with national, state and local components. For nearly a century we have worked to empower voters by informing citizens about local candidates, public policy and advocacy programs.

We encourage active participation in the political process. We conduct candidate forums, register voters, hold informational meetings and advocate for voter rights.

We are funded by the dues of members and by contributions from citizens in the community. Membership is open to all citizens 16 years or older, both men and women. Reach us at
