"LWVUS has decided to become an official partner for this day of mobilization to stand in solidarity with partners and stand up against hate and authoritarianism. The League has consistently and boldly spoken up in the face of rising authoritarianism. This is an opportunity to put words into action and show up in defense of democracy and as an effective ally.

"We encourage Leagues to lean in locally and participate in activations with partners on the ground in a nonpartisan manner. We understand that we cannot control how other partners show up, and participating in any event comes with some risk. For Leagues who decide to mobilize for No Kings, please utilize our protest safety guidance ...on the League Management Site. If representing the League or wearing LWV shirts (which we encourage), please use good judgment when creating signs and participating in nonpartisan chants."
